

Curriculum Vitae Raúl Silvio LAVADO

Email:

Official, lavado@agro.uba.ar

Personal, raul.s.lavado@gmail.com

Residence country: Argentina.

UNIVERSITY STUDIES

- 1968. Agricultural Engineer, College of Agronomy, University of Buenos Aires. Argentina.
- 1971. Graduate diploma, University of Granada. Granada. Spain.

MAIN TRAINING/POSDOCTORAL EXPERIENCES

- 1979. Solonetzic Soil Research Substation. Vegreville, Alberta, Canada.
- 1980. U.S. Salinity Laboratory. Riverside, California, U.S.A.

EMPLOYMENT AND POSITIONS

- 1968-1974: Research Assistant, IDEVI Experimental Station. Viedma, Rio Negro.
1974-1978: Assistant Professor, University of La Pampa.
1978-1982: Researcher, University of La Plata.
1983-1988: Assistant Professor, University of Buenos Aires.
1995-2010: Full Professor, University of Buenos Aires.
2010- present: Distinguished Professor, University of Buenos Aires.
2009-2014: Director of the Research Institute of Agricultural and Environmental Biosciences (INBA).
Since 1975: Researcher of the National Research Council of Argentina (CONICET).

EXECUTIVE POSITIONS

- Ex Director of the Research Institute of Agricultural and Environmental Biosciences (INBA).
- Ex President of the Argentine Salinity Network.

COMMITTEE ACTIVITIES

- Member of several Committees of the National Research Council of Argentina.
- Member of the Executive Board in the College of Agronomy, University of Buenos Aires,
- Member of the Executive Board in the Research Institute of Plant Physiology and Ecology,
- Member of the Committee of Agricultural, Forest and Natural Resources Colleges Accreditation (MERCOSUR – Brazil, Uruguay, Paraguay and Argentina, plus Bolivia and Chile).
- Member of several Consulting Committees.

POSITIONS AS JOURNALS EDITOR

- Creator of the Journal Ciencia del Suelo and first Editor (1982-1989) and later reviewer.
- Associate Editor of the Journal of Soil and Water Conservation (Soil and Water Conservation Society), 2007-2014.

- Associate Editor of the Journal Phyton, 2011-2018.
- Associate Editor of the Journal Agronomía y Ambiente, 2012-2020.
- Member of Editorial Board of several journals, Conferences and Congresses.

PUBLICATIONS

In journals quoted in the Science Citation Index (Arranged by subjects)

Occurrence and effects of toxic elements (heavy metals and other) in soils, crops and microorganisms. Phytoremediation.

RESEARCH PROJECT FUNDING

National Research Council (CONICET): 16 projects since 1979.

Science and technology of University of Buenos Aires (UBACyT): 16 projects since 1983.

National Agency for Science and Technological Promotion (ANPCyT): 3 projects since 2001

Scientific commission of Buenos Aires province (CIC): 8 projects since 1981

Other local organizations: 2 projects

TECHNOLOGICAL PROJECTS FUNDING FROM COMPANIES

NIDERA (2), MALTEUROP, AGUAS ARGENTINAS (2), ENRESS, AGUAS ANDINAS (Chile), PROINDER, BUNGE

The projects with Aguas Argentinas were the larger the College received for several years.

PARTICIPATION IN INTERNATIONAL PROJECTS

Project Raising the bio-based industrial feedstock capacity of Marginal Lands. Collaborative Project nro. 101082089. UE. 2023.

Research Project in Iquique Universities, Chile.

Member of the international network for the development of the NLEAP model, with headquarter in the University of Colorado and USDA.

Others.

CONSULTING WORK

Several written reports since 1990 decade, some presented also orally.

OTHER ACTIVITIES

Attendance of congresses and workshops

- Local Congress and workshops: 58
- International Congresses and workshops abroad: 35

Awards

- University of Buenos Aires for Scientific and Technological Research.
- Wilfrid Baron Award. Argentinean Academy of Agronomy and Veterinary.
- Program for Research Incentive of the Argentinean Department of Education.
- Honorary member of the Argentine Society of Soil Science
- Santelises Award. Soil Science Society of Latin America, for the book “Soils of Argentina”

ACADEMIC ACTIVITIES

Undergraduate and graduate teaching: I teach numerous undergraduate courses and lectures from 1973 to 2012 and graduate courses and lectures from 1986 to the present.

ADVISOR OF GRADUATE THESIS (M.Sc. and Ph.D.)

M. Sci.

1. Margarita Alconada (1991).
2. Miguel A. Taboada (1991).
3. Flavio H. Gutiérrez Boem (1995).
4. Carina R. Álvarez (1998).
5. Javier D. Scheiner (1999).
6. Alicia S. Urricariet (2000).
7. Silvana I. Torri (2001).
8. Gabriela Civeira (2006).
9. Enrique Alberto Frusso (2013).
10. Juan Pablo Giubergia (2013).
11. Osvaldo Barresi (2020).
12. Fernando J. Ureta Suelgaray (in progress).

Ph.D.

1. Gerardo Rubio (1997).
2. Mónica B. Rodríguez (2006).
3. Liliana San Martino (2010).
4. Daniela I. Orroño (2011).
5. Marta S. Zubillaga (2011).
6. Helena Rinski-Korsakov (2014).
7. Federico Spagnoletti (2016).
8. Gisele Ferreyra (2016).
9. María Angeles Pescie (2020).
10. Marcos A. Orellana Benítez (in progress).
11. Carla Costamagna (staeted)
- 12.

Postdoctoral:

1. Andrea Montenegro (2011)
